

# DEF CON 30 MY **0** U Submission

The Hardware Hacking Village is hosting a "Make Your Own Use" contest. Submissions can be a solo or team based project that bend, mend, or repurpose any device and show others how it can be done.

---

\* Required

1. Submitter / Team name \*

---

2. Project Name \*

---

3. MYOU Category \*

*Mark only one oval.*

- Repairing a closed device
- Adding an unintended feature to a device
- Bypassing/breaking product security
- Other (describe and justify)

4. If Other, describe and justify:

---

---

---

---

---

5. Describe the device before you Made Your Own Use \*

---

---

---

---

---

6. Describe why you Made Your Own Use \*

---

---

---

---

---

7. Describe the device after you have Made Your Own Use \*

---

---

---

---

---

8. Describe how you made the modifications (links to project log with photos would be best!) \*

---

---

---

---

---

9. Will you bring this to DEF CON 30 for judging?

*Mark only one oval.*

Yes

No

Maybe

**If you answered 'Yes': Great! See you there!**

If you answered 'No': We will share some project photos and information on social media! But you will be ineligible for the competition, sorry :(

If you answered 'Maybe': Well... 😊 maybe we'll judge your entry and maybe we won't.

10. Contact Information (email, twitter, burner sms) \*

---

**Thank you!**

Remember to bring your project to DEF CON 30 for judging!
